Grade: _____

Date: _____

Vehicle #1

Make: _____ Model: _____

Year: _____ Color: _____

License Plate #: _____

Vehicle #2

Make: _____ Model: _____

Year: _____ Color: _____

License Plate #: _____

Excerpt from 2020-2021 GFA Student Handbook (page 8)

Students licensed by the state are permitted to drive motor vehicles to the campus. Students who drive motor vehicles to campus have the following responsibilities:

1. Students **MUST** register personal vehicles with the school office. Registration makes it possible to locate an owner in an emergency situation.
2. Students may park in the elementary parking lot or in the area next to the upperclassman hall. The parking area next to the office wing and underclassman hall is reserved for faculty and staff.
3. Students are not to park on the east side of Academy Drive (across from the school) at any time. Students who do so will risk having their vehicles towed by the city, at the students' expense.
4. Because of the proximity of the elementary students to our parking areas, all drivers need to drive slowly and carefully at all times around the school. Students who drive in a dangerous manner around the school risk losing the privilege of driving to school.
5. While driving to and from campus, student drivers are representatives of Greenleaf Friends Academy. Driving violations reported to the office shall be discussed with the student and will be reported to the student's parents.
6. Students may not eat lunch or sit in their cars during school hours.
7. Students are not permitted to drive off campus during school hours.
8. Student vehicles are not allowed at any time to park in the Visitor designated parking spots.
9. Student and parent vehicles are not allowed to park in the disabled parking spots without a state authorized disability car tag. Violations will be referred to the proper authorities and possible fines issued (this includes any after-school programs or activities).
